RELEASED FROM NEURITIS AFTER YEARS OF PAIN

What a Detroit Man Says About
a Tonic That Carries Food to
Starved Nerves

"One who has suffered as long and as much as I have is naturally ready to recommend the remedy that helped him," says Mr. Harry W. Andrews, of No. 86 Montclair street East, Detroit, Mich. "It was while residing in Mexico that I first felt the disease coming on. My nerves became so weak that I had a creeping feeling all over my body. The pain was generally worse around my temples. Sometimes the pains around my heart became so severe that they frightened me and I was half convinced that I had heart trouble. My digestion was poor and I was so nervous that I went many nights without sleep."

"I read about Dr. Williams' Pink Pills recently and decided to try the remedy. I followed the directions faithfully and in a few weeks obtained the first relief I had had for years. My nerves are so much improved that I am certain of a complete restoration to health. I sleep well, have comparatively no pain and the creeping feeling is gone."

Your own druggist can supply you with Dr. Williams' Pink Pills or you can order direct from the Dr. Williams Medicine Co., Schenectady, N. Y., at 60 cents a box. Write for the free booklet, "Diseases of the Nervous System."

M. Lurie of New York is in town today on business.

William Shaw and Michael P. Gilmore will take part in a vocal recital which will be given Wednesday evening in Troy at the Troy conservatory of music. Mr. Shaw will render "A Song of Steel" by Spross and Mr. Gilmore's selection is entitled "Until" by Sanderson.

Joan Wilkinson, little daughter of Mr. and Mrs. H. A. Wilkinson of Putnam street, was hostess at a party Saturday afternoon given in honor of her fifth birthday anniversary which occurred Sunday. She entertained 17 of her little friends and a happy afternoon resulted. Dainty refreshments were served and the feature of the party was play.

One special feature of the concert which is to be given at the Second Congregational church chapel Friday evening is the Crichton children. No one ever saw as sweet and captivating a little singer as David who is four years old. He has won many hearts and is sure to win many more. Julia is the cleverest little dancer one could wish to see. Her Highland Fling and Sailor's Hornpipe are beautifully done. To see these children is worth many times the small admission of 25 cents.

HUNTER SHOT BY OWN GUN

Stumbled on Doorstep and Killed by Discharge of Weapon.

Hampden, Mass., May 9.—Thor Statenberg, 45, was found dead in the rear of the home of Peter Molin in South Bend. There was a bullet wound in his left chest just above the heart. A discharged shotgun lay on the doorstep. Investigation by Medical Examiner Mahoney and Deputy Sheriff Leyden resulted in the finding of death due to accident.

It is supposed that Statenberg, who lived alone and who had been hunting for two days, approached the Molin home and stumbled over a step in the dark. In falling the gun is believed to have been discharged.

CHINESE ATMOSPHERE

Surrounds "Chin Chin" at Opera House Next Thursday.

Melodious, artistic and diverting is "Chin Chin" scheduled for the Bennington Opera House Thursday night, May 13.

To Walter Wills and Roy Binder are entrusted the principal parts, supported by a company of clever comedians and a beautiful chorus. In their songs "The Chinese Honey-moon," "Go Gar Sig Gong-Jue" and "Temple Bells," the two clever comedians Wills and Binder make a decided hit and are always recalled again and again.

In this charming fantasy with a Chinese atmosphere there are also a score of other songs that are the fascinating, whistling kind, and several unique dances that carry the snappy comedy along delightfully.

Girls! Buttermilk Creates

Beauty Overnight

The first application of Howard's Buttermilk Cream will astonish you. It creates beauty almost like magic, but the most wonderful thing about it is the fact that whilst it turns the roughest and most lifeless complexion to radiant beauty and makes red or rough arms snowy white yet there is not the slightest sign of its use after application. It actually vanishes from sight and the most heated atmosphere will not produce the least shininess or greasiness of the skin.

It is absolutely harmless and will neither produce or stimulate the growth of hair. Within twenty-four hours this wonderful combination called Howard's Buttermilk Cream will work a marvelous transformation. Quinlan's Pharmacy, 70 Gokey can supply you. Manufactured at Buffalo, N. Y., by Howard Bros. Chemical Co.
